MEMORANDUM FOR: Assistant Deputy Director for Plans

SUBJECT : Invitation to Address the Chiefs of Station
Seminar No. 4-68

1. As a follow-up to a telephone conversation held with your office by the Chief Instructor of the Chiefs of Station Seminar, Mr. [REDACTED], you are invited to speak before this group on Monday, 10 June 1968, from 1515 - 1615 hours, in the Headquarters Building, Room 1A-13, on the subject, "COS Responsibilities as Viewed from the Vantage Point of the Office of the DDP."

2. Your last presentation to the Chiefs of Station Seminar on 8 April 1968 was extremely well received as an example of well-focused comments on the COS's primary tasks and concerns and how they are viewed by the office of the DDP. Your continued emphasis on relations with Ambassadors, field reporting problems and priorities, audio operations, liaison, surveillance, as well as personnel, security, and budget problems will provide valuable background for detailed development by subsequent speakers. The last seminar group was particularly interested in your comments on the role the Clandestine Services should be playing in the field of [REDACTED] and the lessons to be learned from past such involvement. Any additional comments you might care to make on techniques for handling [REDACTED] would also be appreciated.

3. As can be seen from the attached roster, there are thirteen students presently enrolled in the seminar, representing five Clandestine Services area divisions. The grades of the officers range from GS-12 to GS-16.

4. We invite you to call on the Office of Training for any assistance you may need in connection with this presentation. [REDACTED] will be available on extension 3396.

[REDACTED]
John Richardson
Director of Training
